

How to change your password and edit your information

****If you change your password here, it automatically becomes your password****

****Changes to your information or company information here are live and will save automatically****

After you are logged into the site...

The screenshot shows the SMART website interface. At the top left is the SMART logo with the tagline "SECONDARY MATERIALS AND RECYCLED TEXTILES". To the right is a search bar and a navigation menu with items like "About SMART", "Members Only", "Consumers/Advocates", "News", "Join Us", "Events", "Government Affairs", "Industry Links", "Contact Us", and "Home". Below the menu is a "TRADESMART" banner. The main content area is titled "Members Only" and contains a message: "You must be a SMART member and logged in to access this information." Below this message are several links: "SMARTTrader show / hide", "SMARTLine show / hide", "SMARTWomen show / hide", "SMART Directory show / hide", and "SMART Online Services show / hide". A paragraph of text explains that the SMART online services webpage allows members to register, pay for meetings, purchase SMART products, review committee projects, and search the membership directory.

Follow the arrows below to view an example using a SMART staff member entry.

Log out at the left and select SMART Online Store

You have reached the Secondary Materials and Recycled Textiles (SMART) Association online services webpage. Here you may register and pay for meetings, purchase SMART products, review committee projects and tasks and search our membership directory for companies or individual representatives (members only).

Current SMART members may also update and edit their contact information. We ask that members carefully review all edits. Please note that any changes made will be automatically saved via the website.

*Please note some sections require a login and are available to current members only. If you are a member of SMART, please login and click on My Information.
