SMART PERSONAL DATA POLICY

Personal Data Policy: We may use Personal Data that you provide directly to us for the following purposes:

- to carry out our obligations arising from your membership, or any other contract entered into between you and us and to provide you with the information, products and membership services that you request from us;
- to organize events that you have purchased or registered for, and to provide you with information, and other materials, relating to the content of the event, the speakers, sponsors and other attendees;
- to provide our newsletter and other publications, provided you have given your consent;
- to respond to your questions and provide related membership services;
- to provide you with information about other events, products and services we offer that are similar to those that you have already purchased, provided you have not opted-out of receiving that information;
- to provide you, or permit selected third parties to provide you, with information about events, products or services we feel may interest you, provided you have given your consent;
- to notify you about changes to our membership service; and
- to ensure that content from our Site is presented most effectively for you and your computer.

SMART COOKIE POLICY

Cookies are files that contain information created by a web server that can be stored on a user's device for use during a defined session or for future use ('persistent' cookie). Secondary Materials and Recycled Textiles Association uses cookies only to facilitate automated activity, store, and track passwords (single sign-on processing, for example), determine appropriate solicitations, and review navigation patterns.

Cookies are not used to disseminate significant information about users over the internet or to analyze any information that users have knowingly or unknowingly provided.

When a user logs in or registers, the system automatically sets a cookie. Acceptance of such cookies enables Secondary Materials and Recycled Textiles Association to better determine member interests and provide the most relevant information. Acceptance of the cookie is essential to the use and navigation of the www.smartasn.org website.

Users who decline the use of cookies on the Secondary Materials and Recycled Textiles Association site will experience limited functionality.
